RESOLUTIONS (Continued):

ITEM-S402: Paid Military Leave of Absence and Continued Benefits for City Employees Called to Active Duty.

COUNCILMEMBER MADAFFER'S RECOMMENDATION:

Adopt the following resolution:

(R-2002-449)

Providing for additional temporary partially paid military leave of absence and continued benefits for City employees called to active duty with the armed forces by the President.

SUPPORTING INFORMATION:

The City's standard Military Leave policy provides for up to 30 days of paid leave and benefits for employees called to active military duty. This policy generally provides adequate maintenance of salary and benefits for employees in military reserves or National Guard service. During the major military deployments, City employees would be subject to significant economic hardship under the standard policy. During the Desert Storm Operation and Bosnia Peace Keeping Operation, the City Council approved a temporary paid military leave policy to provide the difference, if any, between military service compensation and City compensation and City benefits beyond the first 30 days currently outlined in Council Resolution R-277351 adopted on February 11, 1991. This benefit was offered in addition to the Standard Military Leave Policy. In February 1996, pursuant to Council Resolution R-286954, the policy was reinstated for employees called to military service for the Bosnia peacekeeping mission and other Presidential call-ups of reserves for active duty. Within the spirit of Council Resolution R-286954, it is recommended that the compensation and benefits be extended and that they cover the period during which an employee is called and serves in an active duty military status. This Resolution will be returned to the Council for additional consideration if the Presidential call-ups increase substantially in scope or longevity, creating unanticipated fiscal impacts.

FISCAL IMPACT:

Any cost associated with this action will be absorbed within currently budgeted personnel expenses.

RESOLUTIONS (Continued):

ITEM-S403: Tony Gwynn Week.

(Continued from the meeting of 9/17/2001, Item 102, at the request of Councilmember Maienschein, for full Council to be able to attend.)

COUNCILMEMBER MAIENSCHIN'S RECOMMENDATION:

Adopt the following resolution:

(R-2002-376)

Commending Tony Gwynn for the accomplishments, talent and contributions he brings to the City of San Diego;

Proclaiming September 22 through September 29, 2001 to be "Tony Gwynn Week" in the City of San Diego.

SUPPORTING INFORMATION:

Tony Gwynn marks his 20th season as Number 19 of the San Diego Padres. He has been an admired and dynamic member of the San Diego community. His highlights of accomplishments include the following: Tony is marked as one of the greatest hitters in baseball history with a total of 3,124 hits, a 15-time All-Star, and stands 16th on the list; the winner of the record-tying eight National League Batting Championship; the Padres Career Leader in nearly every offensive category, with a .338 average in each of the 18 consecutive seasons, the longest streak in National League history; a recipient of several awards, including the 1999 Roberto Clemente Award which recognizes the player with the best sportsmanship and community involvement; a recipient of the 1995 Branch Ricky Award, as the top community activist in Major League Baseball and inducted into the World Sports Humanitarian Hall of Fame in Boise, Idaho.

Tony will retire at the conclusion of the 2001 season where he leaves a legacy of loyalty and longevity. He will go down in history as one of the greatest hitters to ever play Major League Baseball. Therefore, proclaiming September 22-29, 2001 to be "Tony Gwynn Week," in the City of San Diego.
